To whom it may concern,

My school had its Form 471 rejected from USAC due to the fact that I had mis-categorized the school's voice and internet providers as a Category 2 instead of Category 1. I would like to file an appeal to file a new 471 form with USAC as the deadline has been missed to make any edits.

Please advise if the appeal is approved. My contact information is as follows:

Or by e-mail at [clatham@sjhsbridge.org](mailto:clatham@sjhsbridge.org)

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Caroline Latham".
